## EXPERIENCE

### LEAD MEDIA PRODUCER GAMEUMENTARY | HAMMONTON, NJ | 2017 - PRESENT

Media producer, cinematographer, camera operator, photographer, graphic designer, and editor for a brand new games journalism site. Helped to grow this site from nothing during the beginning of 2017. From there, we've grown to have nearly 5,000 subscribers on YouTube, ran a successful Kickstarter and raised over \$22,000, and shot and edited over six documentaries on video game developers all over the United States, with many more already planned, including international docs.

### LEAD MEDIA PRODUCER UNITED ADVOCACY GROUP | BRIDGETON, NJ | 2017 - PRESENT

Responsible for the creation, production, editing, and publishing of all media content for the United Advocacy Group, a south jersey based non-profit that aims to help hurting communities and families. Media content includes promotional videos, short-documentary style video interviews and educational pieces, photo coverage of events, website creation and management, graphic design, and management of various social media pages across a network of non-profit organizations under UAG's umbrella.

### EDITOR/CAM OP RICHFIELD VIDEO PRODUCTIONS | SHELBYVILLE, KY | 2014 - 2017

Editor and Camera Operator for multiple international horse shows across the United States. Ingested individual customer videos that were recorded on-site, logged, edited, exported, and uploaded to YouTube archive for later viewing. Also operated an ISO Camera during various parts of multiple shows, recording participants during their individual classes and events for editing and uploading.

### SHOOTER/EDITOR MASTERPIECE MARKETING | ATLANTIC CITY, NJ | JAN - FEB 2017

Created two short-form, documentary-style promotional videos for Masterpiece Marketing and the Pascale Sykes Foundation. Filmed all over Southern NJ, conducted interviews with advocates or participants, shot b-roll footage of various projects. Used DSLRs, multiple lenses, lighting kits for filming. Logged, collated, edited, designed, and rendered finalized video for live showing

### UTILITIES OLYMPIC BROADCASTING SERVICES | SOCHI, RUSSIA | FEBRUARY 2014

Utility, camera crane assistant, and Ro-Bo Camera operator at the Figure Skating and Short-Track Speed Skating venue during the 2014 Sochi Winter Olympic Games, under the supervision of BVM Colin Banks.
